Additional Forms Required

In addition to completed applications, applicants must submit the following additional documents and forms:

► **Proof of Financial Responsibility:** Pursuant to s. 100-53-1, MCO, required to be submitted by all applicants and approved by the License

Division prior to permit issuance.

Types, Shuttles & Limousines

The determination of whether a vehicle is licensed as a certain type of shuttle vehicle or limousine is dependent upon the passenger-carrying capacity, body style, and operation of (and any wheelbase alterations to) the vehicle.

► **Classification Flowchart:** See Flowchart 1 on page 4 for information related to determining the type of shuttle or limousine permit for which to apply.

► See s.100-3-11, MCO, for classification definitions.

Limousine is defined as a for-hire, unmetered, unmarked, uniformed, chauffeur-driven, ground transportation vehicle solely engaged in the business of carrying passengers on a pre-reserved basis only.

Limousine chauffeurs will be required to be uniformed in business attire.

Parties contracting for limousines must be advised of the make, model and year of the vehicle and of any custom nonproduction features or unique energy conservation features of the vehicle at the time of pre-reservation. No vehicle shall be provided that is different from, or equivalent to, the vehicle agreed upon prior to passenger pickup.

Vehicle Inspections

Before being issued PPV permits, applicants must first receive an inspection sticker indicating that their vehicles have been thoroughly inspected by the Milwaukee Police Department and found to be in safe condition.

► Any vehicle replacing a vehicle for which a public passenger vehicle permit has been issued is required to undergo an inspection prior to being placed into service.

► Inspections for vehicle replacements are only conducted each

Thursday between the hours of 1:00 and 2:00 p.m. at the Department of Public Works, Southwest Shop located at 2657 S. 31st St.

Issuance of Permit

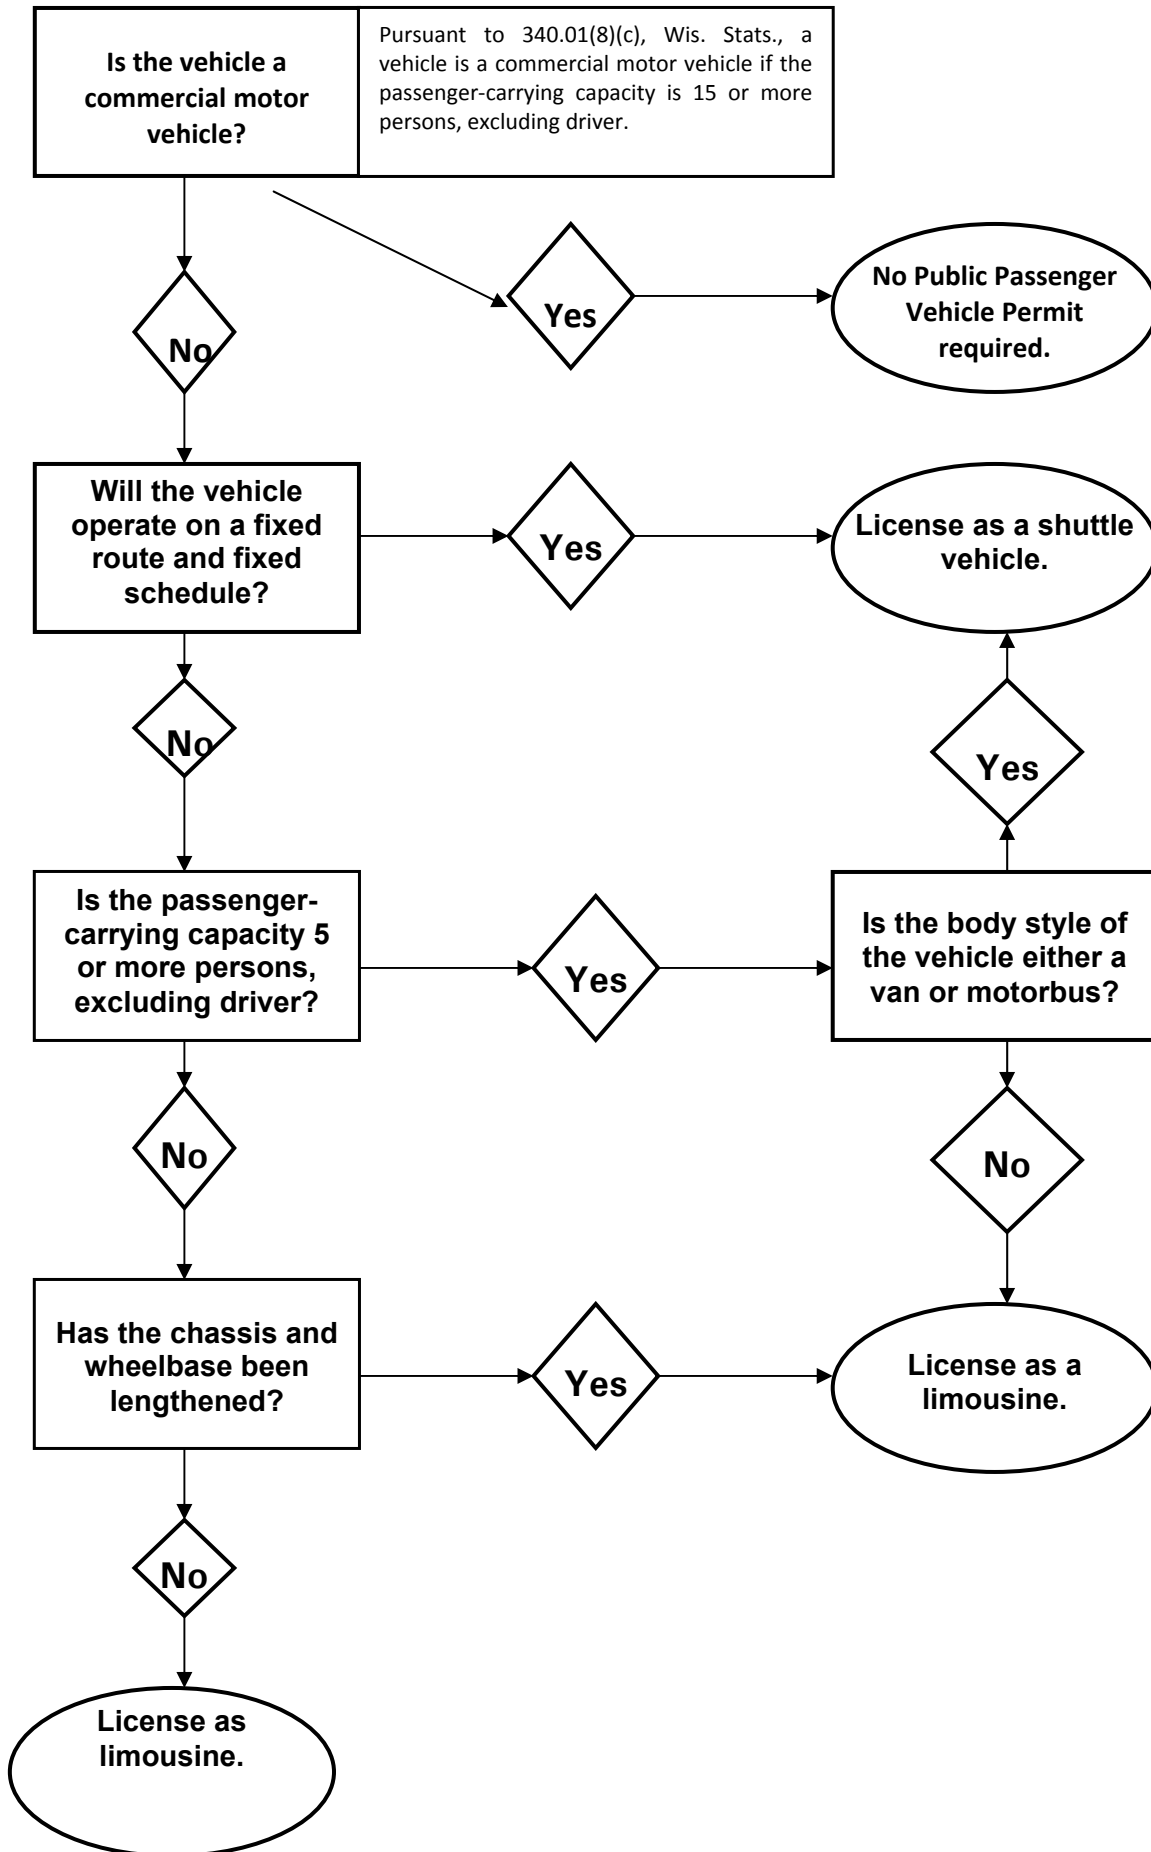

Applicants, for whom permits are recommended for approval by the Public Safety Committee and granted by the Common Council, will receive written notices indicating final steps required to be completed in order for permits to be issued.

► **Taxicab Permits:** The issuance of taxicab permits are withheld until permits held by previous owners are surrendered.

Permit Disqualification

If the Common Council denies an application for a license based on the background investigation, then the same applicant is disqualified from applying for a new permit for a period of 12 months from the date of denial.
